IT HURT HIM TO MOVE MUSCLE

Engineer Hasn't A Trace Of Rheumatism Left Since Taking Tanlac.

"No one could convince me that there is a better medicine for rheumatism than Tanlac. At any rate it has proved a hundred percent effective in my case and, naturally, I am strong for it," is the statement of A. O. Chapman, 1118 L street northwest, Washington, D. C., engineer at the University Club.

"This rheumatism came into my arms, wrists, hips and side nearly a year ago and I can tell you it was no welcome visitor. The monster had me so tight in its grip that I couldn't move a muscle without pain and my work was torture to me.

"Seeing Tanlac so highly endorsed as a stomach medicine, blood purifier and all round tonic, I thought it might help my rheumatism and with this hope I bought a bottle. Well, sir, I struck it exactly right. Four bottles of Tanlac has rid me of every sign of the rheumatism and it has acted as a tonic for me besides.

"For I am feeling better in every way. I have such great confidence in Tanlac now that I can recommend it to everybody."

"The stomach regulates the condition of the blood and the fountain head of health or disease as the case may be. Tanlac is intended primarily for the regulation of the stomach and the correction of catarrhal inflammation, but it is no uncommon thing for persons who have used it to find that it has relieved them not only of indigestion, but also of rheumatism, kidney complaints and other ailments of general origin in stomach trouble.

Tanlac is sold in Washington by Peoples Drug Stores and all leading druggists.—Adv.

STRIKERS ASSERT THE-UP EFFECTIVE AT ALEXANDRIA

Trains and Engines Being Laid Up for Repairs, They Claim.

OFFICIALS DENY IT

Report 3,200 Cars of Freight Pass Potomac Yards During Day.

THE HERALD BUREAU, A. A. Douglas, 727 King Street.

ALEXANDRIA, Va., July 4.—The rail strikers, after their meeting today at the army, reported that the railroads here are beginning to feel the effects of the walkout, trains and engines being tied up, with only a few men to handle the repairs.

Railroad officials at both the Southern and Potomac yards claim freight is running as usual. They also say that there is no congestion. At Potomac yards it was claimed that 3,200 cars of freight passed through yesterday.

A number of colored and some white men, it is stated, have been employed at the Potomac yards in place of the men who walked out. At the Southern Railway it could not be learned whether or not any men had been taken on.

Showers during the day and night resulted in many persons who had planned to spend the Fourth at nearby resorts remaining indoors. The police report the day as being unusually serene, with no accidents heard from.

Three automobiles were damaged in a collision at 9 o'clock last night on Russell road near where the cannon is located. A car belonging to a man giving the name of Fred Kroll, 310 E street northwest, Washington, and one belonging to M. Rubinstein, of the city, were damaged. Kroll was arrested by Sgt. Campbell and Policeman Welker. He says he had a number of Washingtonians as passengers and one of the passengers had taken the wheel when his car skidded on the wet roadway.

The second annual excursion of the Knights of Columbus, for the benefit of their building fund, will be given Thursday to Marshall Hall.

The board of police commissioners will hold a special meeting tomorrow night at the office of Mayor J. M. Duncan, when charges will be preferred against a member of the police department who will be investigated.

Eugene Doyle, district deputy master, and staff will install the newly elected officers of Saratoga Lodge of Odd Fellows at Odd Fellows hall tomorrow night.

WOODROW WILSON TO ON TV. TRADUCERS, HEFLIN DECLARES

Petworth Citizens Hear Address Following Day of Celebration

"Woodrow Wilson will live in the pages of history long after his enemies and traducers are dead and forgotten."

This tribute was paid to the ex-President by Senator J. Thomas Hefflin, of Alabama, when he addressed a large Independence Day gathering at Petworth last night.

The exercises were held in the Petworth Methodist Episcopal Church, which was crowded to the doors. The exercises came at the close of a day given over to celebrating the Fourth. Fireworks were to have followed, but because of the downpour were postponed to tomorrow evening.

Everybody Sings.

The exercises were presided over by Rev. G. Ellis Williams. Led by Charles E. Wire, the assemblage sang the "Battle Hymn of the Republic" and "America." The Star Spangled Banner was sung by L. Harlan Randall, accompanied by the Department of Interior Band. Two members of the Petworth Citizens' Association, who staged the celebration, were introduced. These were J. L. Carr, president, and Timothy S. Tinscher, chairman of the celebration committee. The invocation was pronounced by Rev. J. A. Campbell, of the Wallace Methodist United Presbyterian Church, and the benediction by Rev. John M. McNamara, of St. Gabriel's Roman Catholic Church.

The day's activities began at 12 o'clock with a parade, which ended

at 3 o'clock. Then followed flag raising on the circle, the feature of which was a twenty-one gun salute fired from a field piece by a gun crew from the Washington Navy Yard.

Baseball Game Tie.

After lunch there was a baseball game between a team composed of married men and a boys' team. This ended in a 4-to-4 tie.

The athletic events on Grant circle, which began at 3 o'clock, included several novelties which brought roars of laughter from the crowd. The first of these was a greased-pig chase. Edward, 2815 15th street, caught the pig, thus becoming the owner. Two other meriment producers were the nail-driving contest for women and the fat men's race. The former was won by Mrs. H. Emery, 713 Taylor street, and the latter by C. R. Grier, 4205 Illinois avenue.
